

PHYSICAL AND MENTAL ABILITIES FORM

INSTRUCTIONS: This form provides a detailed description of both the physical and mental abilities required to perform a particular job classification. The purpose of the form is to provide this description to medical staff as part of their assessment of an individual with a disability. Information about the job from this form assists in determining whether an applicant or employee with a disability can begin work or return to work with or without a reasonable accommodation. This form is to be completed as part of the job analysis for all jobs.

Below is a list of activities and other characteristics of the job class. First consider the frequency with which the activity is performed and mark the appropriate box. If the activity is never performed, check the 'Never' box and continue to the next item. Next, refer to your task list from the job analysis. For activities that are performed, specify the frequency and provide the number of 3-4 tasks that best exemplify the listed activities.
